Name: _____

Solve each problem.

1) List all the multiples of 3 from the selection of numbers below:
   6   7   8   9   12   14   17   26   29   32

2) List all the multiples of 6 from the selection of numbers below:
   16   18   19   28   36   39   41   45   50   55

3) List all the multiples of 7 from the selection of numbers below:
   30   40   42   43   44   56   57   69   70   71

4) List all the multiples of 6 from the selection of numbers below:
   12   25   36   39   47   48   51   54   55   64

5) List all the multiples of 9 from the selection of numbers below:
   17   18   22   61   67   81   83   84   93   94

6) List all the multiples of 10 from the selection of numbers below:
   17   24   30   40   50   57   63   70   86   106

7) List all the multiples of 2 from the selection of numbers below:
   3   5   6   7   8   11   13   14   15   21

8) List all the multiples of 8 from the selection of numbers below:
   15   28   32   39   51   56   59   72   79   85

9) List all the multiples of 8 from the selection of numbers below:
   11   16   26   27   28   32   51   54   71   80

10) List all the multiples of 10 from the selection of numbers below:
   30   36   41   59   60   68   70   80   86   106

1. _____

2. _____

3. _____

4. _____

5. _____

6. _____

7. _____

8. _____

9. _____

10. _____

Math

| 1-10 | 90 | 80 | 70 | 60 | 50 | 40 | 30 | 20 | 10 | 0 |

Solve each problem.

1) List all the multiples of 3 from the selection of numbers below:
6   7   8   9   12   14   17   26   29   32

1. **6, 9, 12**

2. **18, 36**

2) List all the multiples of 6 from the selection of numbers below:
16   18   19   28   36   39   41   45   50   55

3. **42, 56, 70**

4. **12, 36, 48, 54**

3) List all the multiples of 7 from the selection of numbers below:
30   40   42   43   44   56   57   69   70   71

5. **18, 81**

4) List all the multiples of 6 from the selection of numbers below:
12   25   36   39   47   48   51   54   55   64

6. **30, 40, 50, 70**

7. **6, 8, 14**

5) List all the multiples of 9 from the selection of numbers below:
17   18   22   61   67   81   83   84   93   94

8. **32, 56, 72**

9. **16, 32, 80**

6) List all the multiples of 10 from the selection of numbers below:
17   24   30   40   50   57   63   70   86   106

10. **30, 60, 70, 80**

7) List all the multiples of 2 from the selection of numbers below:
3   5   6   7   8   11   13   14   15   21

8) List all the multiples of 8 from the selection of numbers below:
15   28   32   39   51   56   59   72   79   85

9) List all the multiples of 8 from the selection of numbers below:
11   16   26   27   28   32   51   54   71   80

10) List all the multiples of 10 from the selection of numbers below:
30   36   41   59   60   68   70   80   86   106
