

**Solve each problem.**

1) 138 is what percent of 92?

1. _____

2) 84 is what percent of 168?

2. _____

3) 8 is what percent of 80?

3. _____

4) 14 is what percent of 140?

4. _____

5) 99 is what percent of 132?

5. _____

6) 105 is what percent of 140?

6. _____

7) 8 is what percent of 160?

7. _____

8) 70 is what percent of 140?

8. _____

9) 2 is what percent of 40?

9. _____

10) 78 is what percent of 104?

10. _____

11) 190 is what percent of 152?

11. _____

12) 20 is what percent of 100?

12. _____

13) 354 is what percent of 177?

13. _____

14) 248 is what percent of 124?

14. _____

15) 238 is what percent of 119?

15. _____

16) 11 is what percent of 44?

16. _____

17) 9 is what percent of 6?

17. _____

18) 96 is what percent of 192?

18. _____

19) 75 is what percent of 60?

19. _____

20) 32 is what percent of 160?

20. _____

Answers

**Solve each problem.**

1) 138 is what percent of 92?

1. **150**
